## IN THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF TEXAS

## LUFKIN DIVISION

JESSE WAYNE TURLEY	§	CIVIL ACTION NO. 9:17cv114
VS.	<b>§</b>	
DIRECTOR, TDCJ-CID	§	

## ORDER ADOPTING THE MAGISTRATE JUDGE'S REPORT AND RECOMMENDATION

Petitioner Jesse Wayne Turley, an inmate confined in the Texas Department of Criminal Justice, Correctional Institutions Division, proceeding *pro se*, brought this petition for writ of habeas corpus pursuant to 28 U.S.C. § 2254.

The court referred this matter to the Honorable Zack Hawthorn, United States Magistrate Judge, at Beaumont, Texas, for consideration pursuant to applicable laws and orders of this court. The Magistrate Judge recommends that the petition be dismissed as barred by limitations.

The court has received and considered the Report and Recommendation of United States Magistrate Judge filed pursuant to such referral, along with the record and pleadings. No objections to the Report and Recommendation of United States Magistrate Judge were filed by the parties.

Furthermore, the petitioner is not entitled to the issuance of a certificate of appealability. An appeal from a judgment denying federal habeas corpus relief may not proceed unless a judge issues a certificate of appealability. *See* 28 U.S.C. § 2253; FED. R. APP. P. 22(b). The standard for granting a certificate of appealability, like that for granting a certificate of probable cause to appeal under prior law, requires the petitioner to make a substantial showing of the denial of a federal constitutional right. *See Slack v. McDaniel*, 529 U.S. 473, 483-84 (2000); *Elizalde v. Dretke*, 362 F.3d 323, 328 (5th Cir. 2004); *see also Barefoot v. Estelle*, 463 U.S. 880, 893 (1982). In making that substantial showing, the petitioner need not establish that he should prevail on the merits. Rather, he must demonstrate that the issues are subject to debate among jurists of reason, that a court could resolve the issues in a different manner, or that the questions presented are worthy of encouragement to proceed further. *See Slack*, 529 U.S. at 483-84. Any doubt regarding whether to grant a certificate

of appealability is resolved in favor of the petitioner, and the severity of the penalty may be

considered in making this determination. See Miller v. Johnson, 200 F.3d 274, 280-81 (5th Cir.),

cert. denied, 531 U.S. 849 (2000).

Here, the petitioner has not shown that any of the issues raised by his claims are subject to

debate among jurists of reason. The factual and legal questions advanced by the petitioner are not

novel and have been consistently resolved adversely to his position. In addition, the questions

presented are not worthy of encouragement to proceed further. Therefore, the petitioner has failed

to make a sufficient showing to merit the issuance of a certificate of appealability. Accordingly, a

certificate of appealability shall not be issued.

ORDER

Accordingly, the findings of fact and conclusions of law of the Magistrate Judge are correct

and the report of the Magistrate Judge is ADOPTED. A final judgment will be entered in this case

in accordance with the Magistrate Judge's recommendations.

So Ordered and Signed

May 4, 2018

Ron Clark, United States District Judge
